

About us

Elegant Voyage is a leading destination management company in Egypt delivering first class travel service, quality products and well-thought-out itineraries with a personal touch.

Established in 1989, our company is headquartered in Cairo with an international office in Shanghai (China) and 4 offices across Egypt. The senior management is made up of both local and international personnel to better understand the needs of our international clients.

A well-networked team of more than 250 staff with up-to-date communication and reservations system allows us to provide you with competitive conditions and rates. Our quality control division oversees quality assurance and ensures all suppliers and products maintain optimum standards.

In an increasingly global & competitive market we are able to predict trends through our constant research and innovation, developing new products & services. An example is our online division that handles last-minute reservations for an extensive selection of hotels in Egypt.
